

Confirmation Family Time

Talk through these questions as a family. You can hit them all in one night or at any pace you choose. These are reoccurring conversations. *From parents, I need a signature that you have talked through these topics at least 4 times. From your student, I want a couple of sentences that summarize the discussion.* This is so that the Good News that we are saved from sin and death stays fresh, both for you as parents and for your children who are beginning their faith journey.
